CAFE AND CREAMERY

1 Who We Are

We are a small cafe founded by Alex Moule and Nick DePrima. Located at the Beach 97th Street Concessions in Rockaway Park, New York, we sell beachside treats in the summertime, and offer personalized service at your events and celebrations.

We have experience in the event space, having done pop ups at Barclays Center with Charlie XCX and Phoebe Bridgers.

2 What We Offer

We offer food, drink, and refreshments for your event! Serving up ice cream, paninis, and a large iced drink menu including matcha and our signature refreshers..

We provide our own equipment, cart, supplies, and staff.

We are local to Rockaway beach, and serve the New York and New Jersey area proudly.
